Parent-Teacher Association Meeting

PTA meetings provide a platform for open communication and collaboration between parents, teachers and administrators. This fosters a sense of community and ensures that everyone is on the same page regarding the educational goals and progress of the students.

Parent Teacher Association Meet was organised for the second -year student teachers on 11th July 2025 and for the first -year student teachers on 21st November 2025. The parents expressed their satisfaction with the curricular transaction, teaching-learning process & evaluation, infrastructure, student support services and the welfare measures available for their wards. The cordial interactive session fostered a positive rapport and strengthened the relationship between parents and faculty, enhancing mutual understanding and collaboration.

Alumni Association Meeting

Alumni events contribute to the overall sense of community within the college. They provide a forum for individuals who share a common experience to come together, fostering a strong sense of belonging and pride in the alma mater.

The Alumni Association of our college of education organised an Alumni Meet 2025-Reunite, rejoice, relive on 13th September 2025.

Heartwarming interaction followed where alumni shared their fond memories, experiences, and success stories, which not only rekindled nostalgia but also highlighted the institution's lasting impact on their lives reflected on the role of the college in shaping their professional and personal lives and to commemorate the occasion, saplings were planted, serving as a living reminder of the unity, growth, and sustainability fostered through this get-together

The distinguished alumnae, who hold prestigious positions in teaching and management, continue to make a significant impact in their respective fields. The Alumni Association plays a vital role in the growth and enrichment of the institution by offering career guidance and providing sponsorships to inspire students to excel in their academic pursuits. A notable contribution of the alumni is their active involvement in coaching for competitive examinations, including TNTET, CTET, UGC NET, PGTRB, TNPSC, UPSC and SSC exams, equipping aspiring candidates with the necessary skills and knowledge for success.

Field Visit

Field visits create lasting memories for students, making the learning process more enjoyable and memorable.

Sr. Lilly Pushpam Library & Readers Club jointly organised **Learning Beyond the Classroom: An Educational Visit to District Central Library** on 29th January 2026.

Joy of Giving and Special School Visit

The joy of giving serves as a powerful force for creating a more compassionate, interconnected, and supportive society, benefiting both individuals and communities as a whole.
