(Affiliated to Tamilnadu Teachers Education University, Chennai)

Palayamkottai-627002

Principles and Procedures of the Career Guidance and Placement Cell 2026-2027

- The Career Guidance and Placement Cell is committed to supporting students in career planning, professional development, and placement opportunities through structured guidance and training programmes.
- The Cell organizes career guidance programmes, workshops, seminars, placement drives, skill development activities, and counseling sessions to enhance students' employability and career readiness.
- Distinguished alumni are invited to interact with students, share professional experiences, provide mentorship, and contribute to career development initiatives.
- Students are encouraged to actively participate in all career-related activities to develop professional competencies, confidence, and workplace skills.
- Career-related notifications, recruitment updates, brochures, and resource materials are made accessible through notice boards and digital platforms
- Students selected through campus recruitment or placement drives shall promptly communicate their employment status to the Placement Cell for institutional records and follow-up support.
- The Cell encourages students to develop leadership, adaptability, innovation, collaboration, and professional ethics that contribute to long-term career success.
- Feedback from students, alumni, employers, and recruiters is periodically collected and utilized to strengthen the effectiveness of career guidance and placement services. .
- The Career Guidance and Placement Cell bridges the gap between academic learning and professional requirements by facilitating career-oriented training, experiential learning opportunities, and continuous skill development programme
- The Career Guidance and Placement Cell strive to create a supportive and inclusive environment that empowers students to make informed career choices and achieve sustained professional growth and success.
